Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the attached British and Chinese Office Actions which the Examiner may deem material to patentability of the claims of the above-identified application.

The submission of these documents is not intended as an admission that they constitute prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any document as a competent reference against the claims of the present application.
